## Middle Georgia Chapter

P.O. Box 6547, Warner Robins GA. 31095-6547

---

Dear Potential Sponsor,

The AFCEA Middle Georgia Chapter hosts a monthly luncheon at the Robins AFB Officers' Club. The highlight of the luncheon is a presentation by our guest speaker. The luncheon also provides a forum for Government and industry leaders to discuss current trends and emerging technologies affecting military communications and electronics professionals.

You can **increase your company's visibility with these key leaders** and showcase your support of technical education in Middle Georgia by sponsoring a table at these luncheons. Your table will prominently display your advertisement for all to see your company's support. Your sponsorship will also purchase eight lunches: four are for your company's use and four are provided to organizations at Robins AFB to promote AFCEA involvement to military E-6 and below and civilians of equivalent grade.

We meet the fourth Wednesday of each month (excluding Nov and Dec) and there are two ways you may participate. Your company may sponsor monthly at \$110.00 per luncheon or sponsor a table for the year (10 luncheons) for \$1000.00. Monthly sponsors get table advertising for the month of their sponsorship. In addition to the table advertising, annual sponsors get advertising on the MGC-AFCEA website, free table advertising at out-of-cycle luncheons, and a discount on sponsorship for out-of-cycle luncheons (\$80). Sponsorship is tax deductible and supports the Chapter's Education and Scholarship programs.

Your table advertisement should fit in a two-sided, 8½" x 11" clear plastic display provided by the Chapter. The Chapter will prepare a simple page with your company logo if you prefer.
