Dear Financial Aid Director,

The Armed Forces Communications and Electronics Association (AFCEA) is a professional association chartered in Washington D.C. as a patriotic, educationally oriented, non-profit technical society. Its mission is: (a) to promote industry government cooperation in developing effective Communications, Electronics, Intelligence and Information Systems; (b) to contribute to the professional development of those serving in related scientific and technical fields; and (c) through these activities, to further the security and preparedness of the United States and its allies.

The Middle Georgia Chapter of AFCEA provides scholarships to outstanding and deserving students majoring in technical and scientific fields allied with the basic sciences, engineering, computer science, intelligence systems and telecommunications.

We request your assistance in distributing information about our Winter 2007 scholarship opportunities. We would appreciate your help in advertising the attached scholarship application form to students in your college. Feel free to reproduce the announcement and form as needed.

The chapter's board of directors will select the winners at their board meeting on 11 April 2007 and notify the winners on 27 April 2007. The winners will be invited to the chapter's monthly luncheon held at the Officer's Club on Robins AFB, GA on 23 May 2007 at 11:30 a.m., the Chapter President will award \$500 scholarships to a high school senior, undergraduate student, graduate student, ROTC student and federal employee student.
