January 8,2007

Dear Sir or Madam:

We are currently planning for the 2007 Houston Regional Science and Engineering Fair to be held at the Museum of Aviation (Century of Flight Hangar) in Warner Robins on Thursday, February 1,2007. We need your talent and expertise to help evaluate our students' work and we invite you to serve as a judge for the upcoming fair.

Please join us on February 1 for refreshments at 8:00 A.M. to be followed by an orientation for judges at 8:30 A.M. We will begin the initial review of projects following the orientation. Lunch will be provided for you on-site. Later in the day, students will be available for interviews to explain their projects. The evaluation process will include interviews and selection of first, second, and third-place winners, as well as special award recipients. The entire judging process should be completed by 3:30 P.M.

If you will be able to participate, please return the attached form to Ann Williams-Brown, Houston County Board of Education, P. O. Box 1850, Perry, Georgia 31069, or fax it to the number listed below by January 22,2007. We sincerely appreciate your willingness to share your interest in science and engineering with the young people who will be competing. We look forward to seeing you at the fair.

Please share this information with your colleagues. If you need more information, call me at (478) 988-6222 ext 10225.

Sincerely,

A handwritten signature in cursive script that reads 'Ann Williams-Brown'.

Ann Williams-Brown Science
